

Available Position | Site Supervisor

Averra Developments is one of Vancouver's most reliable professional builders of new custom homes. Our mission is to ensure we give clients high quality craftsman homes; on-time, on budget and above expectations.

"We love what we do, and trust you will too" applies to all parts of our business and especially to our team members and clients.

Averra's company culture strives to be fun and down to earth professionals that are with integrity, are trustworthy, hardworking and knowledgeable about construction. We invite you to visit: www.Averra.ca to learn more about us.

JOB DESCRIPTION:

We are seeking an amazing Site Supervisor with experience leading residential construction teams, managing schedules to achieve specific milestones with a track record of building homes in Vancouver within the last 2 years. You must be a team player, have home construction experience, hardworking, with solid integrity.

Key responsibilities include:

- Ability to work through a detailed schedule to complete high quality homes on-time and on budget
- Actively working on-site "on the tools" and leading team members with daily duties
- Maintain clean work areas, tools or equipment to maintain a clean and safe job site
- Ability to work at heights following WorkSafe BC procedures at all times
- Working with clients throughout projects to ensure we are constantly meeting and exceeding their expectations

Core skills and requirements:

- Previous experience as a Lead Carpenter
- Previous experience as a Site Supervisor/Manager multiple single family and duplex construction projects in Vancouver
- Experience working through all building phases starting at demolition through finishing
- Experience working with a project/construction management software
- Must be willing and able to learn new ways of doing things
- Reliable and available to work Monday - Friday 7.30am-4:30pm
- Team player with excellent communication skills
- Committed to safety at all times
- Must have your own hand tools and reliable transportation
- Must be legally entitled to work in Canada

Job Type:

- Full time

Starting Wage:

- \$35 per hour + bonuses and will go up based on experience

Experience:

- Certificate of Apprenticeship or Trades Qualification Certificate as a journeyman Carpenter recognized by the Province of BC
- Carpentry +2-years
- Meeting and exceeding Vancouver's residential building code requirements
- Red Seal is an asset

Qualified and interested candidates, please send your cover letter and resume to info@averra.ca
